Hello,

I am a lonely, sweet and spicy Hispanic seeking for that someone to spice up my life.

I am a woman of values and enjoy music and dancing. I do enjoy all outside events. I love animals, but my favorite is a dog.

I am very open minded and non-judgmental and expect the same in return also.

I believe in loyalty and honesty from each own self that believes in self also.

Being at the wrong place at the wrong time has temporarily detoured my life.

I am seeking for a friendship, and laughter, and to complete my days in this journey.

I am reaching out to someone to fulfill my day with peace. I am willing to be able to do the same in return.

I do speak and read in Spanish and English, too. All letters would be encouraging to me.

If you feel you can be that someone, then please, feel free to write me. Thank you for reading my introduction.
