Hello, thank you for checking out my profile. My name is Carla, and I am hoping to meet some new friends here that can offer some good down to earth conversation.

I am looking for intelligent conversation that can also make me laugh. But at the same time, I am a very realistic person, and I DON'T DO DRAMA! And I'm also NOT looking for a relationship. Just someone I can correspond back and forth with every now and then.

Well, A little bit about myself, before my life took a turn and landed me here. I previously was an Entrepreneur and I owned a Beauty Salon and an Aggregate Trucking Company.

I think some people would describe me as thoughtful, caring, loyal, wise and sometimes quiet. But overall just a laid-back type of woman. I am a good person with a good heart. I feel family and friends are a very important part of life and they bring me a lot of satisfaction. So, go ahead and drop me an email/letter and let's get to chatting. Also, if you drop me an email via jpay.com make sure you include your address. Being that's the only way I can respond back is through U. S. Postal Service.
