Elliot Crandle #D60422
CHCF Fac. A-304-139
PO Box 31960
Stockton, CA. 95213

Hello and well wishes to everyone. My name is Elliot and I am so glad that I have this unique opportunity. For many years, I struggled from self-inflicted destructive behavior. Until I became aware of how deeply my actions affected my community. You will never change into whom you hope to be until you identify and apply better reasoning to critical situations.

At this stage of my life, I am single, mature, and I have never been married. I have no children, but I have a lot of love in my heart to give. I've been incarcerated for 22 years of a 25-year sentence, and I live and work at an institutional medical facility helping inmate patients who have lost their mobility due to their medical conditions. I've learned a great deal about life, helping others who have suffered great pain and illnesses. Over the years, I have been blessed with good health and I value every moment I have left on this Earth. I'm hoping with this ad placed, that someone would write to me as a penpal. I am a straight heterosexual male, but I'm willing to hear from anyone who takes time from their lives to kindly write to me. With the help of others, I'm hoping to hear about many aspects of how the world has changed since I've been away. Hope to hear from you soon.
