Hi my name is mike, I've been in prison since I was 16 and am now 20 and doing an 8 year sentence for aggravated robberies. Unfortunately the circumstances in my life and have caused me to make bad choices when it counted, and I have never had positive people in my life to guide me in life to better myself as a whole and am already on a downhill battle, and if you choose to get to know me, I can't wait to show you that not all bad situations turn out bad, they can produce something far greater than anybody expected, and if you are that person and free of judgment mind than feel free to contact me through e-mail Jpay postal mail and also gpo call request through connect network.com If you are reading this, thank you for giving me some of your precious time, I hope you choose to open up a positive friendship with someone who is trying to build mentally and spiritually and if you are not the one than thank you for the time of day and have a good rest of yours.
