Thank you for your interest in my web page,  
Here's a bit about myself. I was born and raised in rural Eastern Washington, on a family farm, that my dad sold after my grandpa passed away a couple of years ago, because he didn't want to pay the death tax. My grandma just passed away and my grandpa is in failing health. After my mother passed away in Zoll, my dad remarried and is now living down in Oregon, brokering freight. He won't answer my calls or come visit me though, because before I turned 17 and would have went to the academy, I got into some trouble for driving my ROTC buddies around in farm trucks, stealing alcohol and smoking weed. Law enforcement got involved as well as CPS, so I was sent off to boarding school and my girlfriend's uncle ended up with temporary custody of us - he was a pedophile and tried to molest her the night I awoke to a gunshot. My ex had shot him with a 22 rifle that they were struggling over and by the time I loaded my 410 shot gun, he had gotten ahold of the rifle, so I shot him, then covered the body. After that we took the guns and our clothes then stole his truck. They arrested us down in Oregon, back in 2014 and charged us with 1st degree murder, robbery, theft of a motor vehicle,

and firearms. I plead guilty in 2016 and got 30 years, but I'm eligible for parole under the ISRB in 2035. I've also filed a Federal appeal, either way I'll get out in my late 30's, early 40s..I'm really just looking for someone to be there for me. I've devoted myself to studying, beading, weight lifting and playing the guitar. I have an A.A.S. degree in Business Administration and I am currently pursuing a B.S. Degree. I earned invaluable leadership skills in the ROTC and also did some volunteer fire fighting as well as Civil Air Patrol duty. Anyway, I look forward to sharing more with you.
