**Sexy, Southern, Voluptuous Lady Seeks Gentleman for
Friendship, Companionship and Romance**

I am a full-figured, attractive woman that enjoys meeting a variety of new people. I can strike up a conversation with anyone because of my flirty demeanor and quirky sense of humor! I like to have a good laugh with friends or read a good book that you can't put down after the first two pages. I watch the news to keep up with the current events. "The Late Show with Stephen Colbert" is my favorite late night comic. And I love watching PBS for the thought provoking, enlightening T.V. If you looked on my bookshelf, you would find an assortment of magazines like: Popular Science, People, Wired, "O", Oprah's Mag, Real Simple, Sports Illustrated, Outdoor and Women's Health. My hobbies include acrylic landscape painting, Titans football, non-fiction books, and a dazzling array of music.

I want a man that is interested in getting to know me: my hopes, dreams and memories of an extraordinary life. Someone who is quick with a witty, sarcastic observation, but caring enough to sense my deep down needs and desires. Because I don't have any family, I am lonely. I want a compassionate, caring, kind, loyal guy who is also honest and trustworthy. Someone that I can open my heart to and share life's up and downs.
