Hi from Arizona and thanks for reading my profile. I joined the website to meet interesting people, share a laugh, and hopefully make some life long friendships. My time for release is fast approaching and I'll definitely need some encouraging words and advice.

I'm sure we'll have lots to write about as I'm easy going and like most things. I especially enjoy everything outdoors like camping, hiking, and sports. My perfect day is boating on the lake catching a sunset. BBQ's are great too! I just like to have fun and can't wait to get back to freedom!

I've been in prison for quite some time and try my best to keep busy. It's a slow pace around here, ugh! I work a full time job at a private marketing company, exercise daily, and love to read. Prison has a way of humbling a person and bringing out what is truly important. It's those simple things like family and friends that matter the most. I tend to spend time wondering what my future will be after prison. Maybe you'll want to be part of it?

Well I hope I've sparked an interest and you'll be writing me soon. Receiving mail is the highlight of my day and always puts a smile on my face. I look forward to meeting you.
