Dan Kirsch #19000122/1884964
Virginia Beach Correctional Center
PO Box 6098
Virginia Beach, VA. 23456-9073

62 years old, single from Houston area. Nonviolent misdemeanor currently incarcerated in Virginia, but returning to Houston. Looking for serious conversationalist who still believes that letter writing is a lost art. Intelligent, educated (grad degrees), expressive conversationalist with a well developed sense of humor.

I thrive on meaningful discussions about this like the meaning of life and mutual interests. Vegan and cares about animals and the planet. Loves exploring Texas (have been to 70% of the counties), spending time outside and in nature (hike, camp, kayak, canoe, car hiking).

Hoping to build pen pal friendships - and if you're in the Houston area, am also open to making activity friends for things like hiking, kayaking, etc.

I take things seriously, until I don't. I have an affinity for dragonflies. My favorite number is 42 (bonus points if you

know why and it's also yours).

While mail is my preference and email is not available here, I can also connect through an online messaging system (GettingOut, which also has video chat and photo album abilities), and if you're also interested in that, please send your email address so that I can send an invite.

Primarily looking for Texas friends, but also open to someone local here in Virginia Beach while I am here.
