Howard Nickles 745788
Stafford Creek Correctional
191 Constantine Way
H3-87U
Aberdeen, Washington 98520

For the past 2 plus decades I've gained and found peace, patience and compassion while in prison. I've discovered, for myself, the journey is quintessential to the destination. Now that I've done a major portion of my sentence I feel it's time to possibly gain a true friendship , mentor/pen pal.

Early on it would have been selfish by my standards to create such a friendship. But now the timing feels right. Don't misconstrue the above. I have very strong relationships and frequent contact with my brother and sisters. However, me and (my dogs I train) need some female friends and that is why I write this.

I'm a compassionate, honest and principled man that loves life and I look forward to sharing more of myself through correspondence. You can only see a minimal of my likes and loves through this profile and photos.

Looking forward to hear from you.

Respectfully,

H.D. Nickles
