This is my very first time on a pen pal site. My sister is doing this for my birthday in hopes that I connect with a wonderful, caring, honest woman, I am serving a sentence for a non-violent crime that I deeply regret and hope to be released soon. I am an upbeat, positive, hard-working man looking forward to committing to a relationship with the right woman. I am fit, healthy, easy going and lovable. I would love to hear all about you, I hope you find it in your heart to write to me. I will respond to ALL letters. Thank you in advance for writing and making my birthday wish come true!
