Willie King #17048279

Santa Clara County Main Jail

PEN: EDC 828

885 N. San Pedro St.

San Jose, California 95110-1718

My name is Willie King. I am twenty one years old, hoping to find some friends to pass the time with. This is my first time on any pen pal site. As of right now, I'm in and out of court rooms fighting for my freedom.

A little about me. Well, I'm from San Jose, California. I'm a bilingual Mexican American but my family is very multi-racial. I was raised mainly by my Great Grandmother who showed me kindness, love, compassion, respect and to do others as you would have them do to you. Love your enemies, pray for others who mistreat you. Forgive and forget. Words I try to live by but no one is perfect. I'm a very outgoing person, always willing to try something new. I like spending time with family and friends. BBQ's, Beaches, Movies, or even staying in and watching Netflix. I have a love for cars and speed. I'm a hopeless romantic that has hope one day I'll find my true match. Other than that, I am very laid back and chill and just basically looking for friends to get to know. I almost always have a good amount of stamps and phone calls so I can write and call to where

ever, no worries. So, if you like what you read, contact me, send a number, anything. All pictures sent to me must have my information on the back of each one. Hope to hear from someone. Thanks,

Willie
