Information

Eugene Groves #A144869  
Toledo Ohio Correctional Institution  
2001 E. Central Ave.  
Toledo, OH. 43608

Hi, I'm Eugene. I have been incarcerated for 43 years under a defective indictment (not signed by the grand jury foreman), promised release after serving seven years, but constantly turned down by parole boards. I am kind, sympathetic, and intelligent, with a good sense of humor (despite my years of enduring painful confinement under adverse circumstances in an environment that usually shows little or no concern for the suffering of its prisoners, all the way down to inadequate medical care and extremely poor quality food). I am looking for somebody who is understanding and open-minded. I will expire in here unless there is someone on the outside who believes enough in helping me to obtain my freedom for a second chance at life. Please search your heart and conscience in the name of humanity. I would very much appreciate your writing me at my institutional mailing address (no email access) -- sincere letters only, please (no mind games). Thank you for listening, and may God bless you.
