I have many interests that vary from tame to wild. I'm uninhibited and open minded. I like trying new things and I'll try just about anything once, more if I like it. With me, there is never a dull moment. I'm passionate about all that I do, I live hard, I play hard, and I love hard.

A few things that appeal to my intimate side include candlelit bubble baths, scented candles, the solitude of a picnic for two, porch swing conversations, soft lace, and white rose petals tossed across the bed.

A few of my favorite past times are laying in front of a roaring fire, relaxing with a glass of bubbly, or sitting in the sand watching the sun go down. Some of the things I like to wear are leather and lace, as I feel it's ruggedly sexy. I enjoy the beauty and simplicity that life brings, such as sand beneath my feet, the passing of a butterfly and the sensuality in the kiss of an ocean breeze.
