My name is Thomas, but my friends call me Tom. I am here looking for a special someone; someone who can open their mind and heart to me and accept me unconditionally. I am 50 years young. I spend time working out; I do yoga, cardio and walking in the big yard.

I better myself through living a 12-step program of recovery so I can live the life I truly am meant to live. I love to smile and make others smile too.

I want to build a future that counts for something (our legacy) and hope that you are willing to build it with me. All I ask is that you keep an open mind and bless me with honest authenticity and your truth. I will do the same.

If you have any questions, please don't be shy. Just ask! You can contact me through the mail or set up an email account at jpay.com and we can connect through that. I am looking forward to meeting you. I hope to hear from you in the very near future. Until then, have a beautiful day and remember to smile for miles. Peace be with you always. Namaste, Tom.
