I am a valentines baby seeking friendship and/or companionship. My loves are the outdoors, long walks and holding hands, guess I am a romantic. I have made my mistakes in life and I am not judgemental. I love pets, trained canines and love cats too. They are so awesome. Until you have heard my story, please don't judge the book by the cover. I am very young at heart and enjoy writing. If you want a true friend who's honest, please write me. I believe in establishing a good foundation that leads to friendship and hopefully a long term relationship. Thank you.
