I'm an attentive, responsive, content, joyful man in superb

health who seeks interaction where we can both feel fortunate and fulfilled. You might presume my heart, spirit, and emotions are constrained by imprisonment. But they're not. I'm creative, conversant in all areas of life, respectful, playful, and profoundly affectionate. I love all the touchy-feely aspects life can bring! We all approach these kinds of unknowns with differing degrees of anticipation and some trepidation. I'm sure you'll find some things about me to be unconventional. I'm ready to ENJOY my life!

Imprisonment does subjugate people to almost overwhelming loneliness. I crave companionship, loyalty, and closeness. Who doesn't? We will learn together in real time! Be assured I am not a prude! I play the piano, enjoy baseball and football (though not to excess), enjoy old school Country music and quality Southern Gospel music, though it is the personal stuff I love most. I do not play games with hearts and minds. I'm not a sex offender, predator, user, scammer or catfisher. I'm Paul and I'm for real. My lineage is Scandinavian. I'm ready to enjoy getting to know you if you're up for it!

Please understand that, regardless of the means you choose to reply, you must use your first and last name in your return address for snail mail, and first/last name for email. There's also the time issue. It simply entails adding a few processing days to the sending and receiving of US Mail & electronic messaging via JPay.com & the JPay mobile app. If you're inclined, you can send me a pic via snail mail or attach one via JPay. Jpay is very cost-effective, but it is not "instant" like normal email. JPay does not enjoy the same lawful speech protections afforded to the U.S. Mail. That could change down the road.

Here's my exact address. You have a beautiful and blessed day. I will look forward to making your acquaintance.

Thanks for investing your time to respond to me!
