Hi, Handsome,
21 y/o, 170 pounds of juicyness. Attracted to men with solid values,
one who is giving, light hearted, steadily employed, Xrated and
emotionally available. For companionship. Compromises that are
necessary for a strong relationship. Not interested in any man I
have to figure out, chase or change.

About me:Bubbly and open minded. A cosmetologist, thus enjoys
making someone feel the confidence they deserve. I love to listen
and share stories. I love different shades of pink, despise HotPink.
Enjoys family gatherings, a fun festival or a nice day at an
amusement park.

Interested in:A strong relationship without the heaviness of judging
and competition. I feel foreplay starts with the ability to
communicate freely. I am old fashioned about love and romance. I
love a man with strong family values and respect for himself and
others.
I am a stilleto kind of girl, love shoes, perfume, beautiful clothes, a
clean home, and home cooked meals! I do believe in destiny, fate
and hope. I have an old soul and end my nights with a sweat glass
of red wine and you. Never enjoyed the Night Life.

Hopefully you are eager to know more about me. If so, please
contact me, I'd love to get to know you...JPay.com
